

31 Days of Praise

In order to help you build a vocabulary of praise, I want to challenge you to pray through the following "praise starters." Many believers struggle with praise for God because they simply do not know what to say to God. Believers often find themselves speechless when attempting to praise God. These praise starters will help you focus on different aspects of your glorious God. This program of praise is intended to teach you about your God and how to approach Him. Pray through a praise starter each day. The purpose of doing this is to enable you to grow in your understanding of God. As you understand more and more about God, you will begin developing a praise vocabulary. These days will help you develop the "holy habit" of praising God.
