

Introduction

Fervent prayer exists as the channel for life changing worship and preaching. As we seek God in prayer, we receive the power, the insight, and the preparation essential to these things. Worship and preaching bring us into a personal encounter with God. If we do not daily seek Him and encounter Him in our private times of prayer, we certainly will not encounter Him on Sunday with God's people.

Too many times, we do not pray about our worship services and the preaching of the Word. We take for granted that God will bless these simply because we gather to worship Him. What a costly mistake! Our worship services often lack life and power because we have neglected to cover them in prayer. Our preaching seems to fall on deaf ears and hardened hearts because of the failure to ask for God's power and anointing on them.

Churches can experience life transforming preaching and worship. If we desire powerful worship in our churches, we must cry out to God for this. If we long to see the preaching of the Word transform lives, we must seek God for His blessing on this. Jesus says, "Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you" (**Matthew 7:7**). If we will pray, God will hear and move in powerful and unique ways. Our almighty God longs to manifest His power and change lives as we worship Him.

The goal of this manual is to help you pray for life transforming worship and preaching. You can implement this material in two ways:

- (1) *You can use it for prayer during a worship service.* Many churches have believers or teams that pray during the worship service. The variety of prayer pointers and guides will offer help to those praying during a worship service. The materials will enable a believer or team to pray the Word with confidence and expectation during a worship service.
- (2) *You can use it to pray during the week in preparation for the worship services.* You can utilize this material by praying during the week for the pastor, the worship leader, and the congregation. It can help a believer or a team to saturate the worship services in prayer. Can you imagine the difference it will make if believers prayed throughout the week for the worship services? We will see God move in amazing ways as we prepare for worship with prayer.

How To Use This Prayer Manual

This prayer manual will provide you with a variety of prayer guides and pointers to help you pray. This variety offered encourages you to pray faithfully and to help you keep from getting stale and dull in your praying. To make the most of this manual, you might keep the following in mind.

- ⇒ *Yield yourself to the Holy Spirit's guidance.* Ask the Holy Spirit to guide you as you pray for the pastor, the worship leader, and the

- services. Call on Him to direct you as you seek Him about these things. Plead with Him to help you know which prayer guides that you need to use and what you need to focus on in your prayers.
- ⇒ *Pay attention to the condition and circumstances in your church.* This will help you to know the direction of your praying. The Spirit can use these things to guide your intercession.
- ⇒ *Focus on a different area each day.* You might consider using different prayer guides for each day of the week. By doing this, you can pray about a variety of issues before the worship services.
- ⇒ *Have a prayer partner.* You might consider having a prayer partner or a prayer team. By doing this, you can pray in agreement and will have the opportunity to share any insights that the Spirit might grant to your partner or team.
- ⇒ *Prepare yourself to pray.* In order to pray with power, you must prepare yourself. Adore God for His character, confess your sins, and give Him thanks.

Healing Prayers

There's a broken heart on every pew. Through the years of ministry, I understand the truthfulness and power of that statement. Each Sunday people will come to worship services with lives ravaged by emotional pain. At the same time, there's a diseased body on every pew. Our churches have people who have physical problems. They hurt and need God's healing power.

The following prayer guides will help you pray for healing in people as they worship. It often pleases God to heal and transform people as they worship and hear the Word of God. God can and does reveal His healing power during worship services. He does this to glorify His name, testify to Jesus, and show mercy to the hurting. These guides will help you to pray for physical and emotional healing.

Physical Healing

Father, You created these worshipers. You formed them. You knit their inward parts in the womb. You alone know how to heal their bodies. As their Creator, I pray that You will grant healing to them. Let

Your power envelop them and unleash the needed healing into their bodies (Genesis 1:26; Psalm 139).

Lord Jesus, like the woman in the crowd who touched the hem of Your garment and experienced Your healing, I pray that the worshipers will reach out to You. Your healing virtue is available to those who reach out to You. I ask that they will experience this healing power when they reach out to You (**Mark 5:24-34**).

Father, when doubt or unbelief starts to fill the worshipers’ minds and hearts concerning healing, I pray that they will focus on the words of Jesus, “Do not fear, only believe” (**Mark 5:36**).

Lord Jesus, God has exalted You as Lord over all. This includes all sickness and disease. In the Your name and through Your power, I pray that You will remove the sicknesses and illnesses from the lives of the worshipers (**Philippians 2:9-11**).

Father, You have abundant mercy and compassion for those who suffer. The worshipers who come have pain and they need Your healing. Exit Praying
