

The Pictures of God

The Bible reveals the character of God through pictures. In these verses, we have pictures of God that teach us about His character. Through these pictures, you can gain a deeper understanding of God and gain insight on how to praise Him.

The following is an example of how to use the pictures of God to praise Him:

Psalm 71:6- "By You I have been upheld from birth; You are He who took me out of my mother's womb. My praise shall be continually of You."

Father, You are my Confidence. You are the God who can be trusted. From my birth You have sustained me and upheld me. You are the One who created me in my mother's womb and brought me forth. You are trustworthy and I place my confidence in You. I will praise You continually. Amen."

This list is not exhaustive but it will help you learn about God's character and will assist you in developing your praise of Him.
